Late Fees and Extensions on Homework and Certification:

Participating in Yoga Teacher Training is a big commitment of time and energy for the director, the assistants, and the students. We can serve you better if you submit your completed homework by the due dates and complete the training in the allotted time. However, we understand that due to unforeseen circumstances, this isn't always possible. The homework and certification extension financial policies are as follows:

- **Late or Incomplete Homework:** You will be charged \$25 for homework received after the due date or homework that is incomplete which will be placed in the TT Graduation fund.
- **Incomplete Certification Requirements:** If you are unable to complete the certification requirements by the program end date, after you pass the take-home exam, or are asked to do additional work in order to receive certification, you may receive an extension. The fee for extension, which includes mentoring with a staff person, will be worked out individually with each student at a minimum rate of \$100 per hour for staff time. (Total cost may vary depending on the amount of work and the duration of additional mentoring and supervision needed for certification.) You will have until December 31<sup>st</sup> of the training year to complete your work and receive certification.

I have read, understand, and agree to the above terms and policies.
